Mission of the Committee

The panel is being asked to first complete the three phases of the project and produce a stewardship plan that will oversee and protect White's Woods using best practices and expert recommendations. The panel then would study and complete a stewardship plan for White Township Recreation Complex, Kennedy-King Park, Getty Heights Park, Fourth Ward Park and the White Township Municipal Center in what remains of the 18-month timeline for the committee. (The board of supervisors retains the authority to extend the committee's mission if necessary.)
